Dear Mr Kavien Begikhani,

On behalf of the Kurdistan Regional Government Representation in the United Kingdom, I write to you to extend our appreciation and gratitude for your contribution in support of the Halabja University's initiative to collect 31,000 Books for the Spirit of 5000 Martyrs.

After the end of the campaign, I am pleased to announce that we have collected 318 books of different subjects.

I am also pleased to let you know that we have posted the books that has been collected in the UK to the University of Halabja. With your generous gifts, the University will build precious collections of knowledge which will enrich the reader's lives.

Your donation is invaluable to us. Thank you once again for supporting this campaign.
